

## ASSAI PRIMARY AND SECONDARY PUBLIC SCHOOL

Dear Teachers, Parents and Students

As we continue adjusting to the realities of life in the land of social distancing , we have been working hard to put together new ways to connect with our students. what we do best is

### " ONLINE INFORMATION SESSIONS"

I am writing this short note to inform you that our school has developed an e-learning program to assist our high School students.

1. All teachers should prepare short notes, worksheets and other important (learning resources) to upload on the developed school website.
2. All high school students or parents have to send us your numbers in order to send you the created user name and Password for each student.

We have uploaded some learning resources for grade [12,11 and 10](#) we will continue to grade [9 and 8](#).
